

Please keep K-LOVE on the air in Austin, TX and all over the U.S. K-LOVE serves the local community in Austin by providing quality Christian music which is encouraging and uplifting. If this station was displaced by other programming it would be a large loss to our city. This station is necessary to serve as a quality alternative to other programming. K-LOVE serves the public interest because our nation was founded by a strong belief that we have freedom of religion. Part of that freedom means expressing oneself through music. Quality Christian music ministers to the needs of many people. We do not want to lose such a vital ministry.

Sincerely,

Cherie Galyon
